

## A0720051 Carlow 24-3 RGB

The Carlow Outdoor DMX LED PAR is designed as a color washer with 24 bright RGB high-power 3-in one LED's and high-efficiency 28° optics,

### Technical specifications:

LED system: 24 RGB-in-one LED's  
 Optics: 28°  
 Power consumption: max. 80W  
 Light output:  
 Red 720 Lux/2m  
 Green 955 Lux/2m  
 Blue 1195 Lux/2m  
 R+G+B 2780 Lux/2m

Housing: Extruded Aluminium, grey powder coated  
 Working Temperature: -10°C / +45°C  
 Cooling system: Convection  
 Protection: IP66  
 Dimensions: 310 x 148 x 327mm  
 Weight: 4.4 kg

Input Voltage: 100-260VAC  
 Main connection: Input- & output-cable 2x30cm with IP66 3p. connectors (male/female)  
 Power Linking: 5Pcs/110VAC, 10Pcs/240VAC

DMX connection: Input- & output-cable 2x30cm with IP66 3p. connectors (male/female)  
 DMX-channels: 3, 5, 7 Ch. (Dimming 0-100%)

Operation mode: DMX, Master or Slave, Auto-run with 7 built-in Programs  
 • Program 01: Select one of the 11 static colors  
 • Program 02: Seven-color-fading  
 • Program 03: Three-color-fading  
 • Program 04: Multicolor illusion,  
 • Program 05: Seven-color hopping,  
 • Program 06: Three-color-hopping  
 • Program 07: Multi-color-hopping

Included Accessoires: AC-Powerconnection cable (3p. IP66 connector to IP54 Schuko Plug) ???  
 AC-connection cable (3p. IP66 connector to IP20 XLR) ???

Separate available Accessoires: AC-Extension cable (3p. IP66 male to 3p. IP66 female) ??  
 DMX-Extension cable (3p. IP66 male to 3p. IP66 female) ??

Attention: This high power LED fixture can not be installed under water
